**WARNING:**  
CHOKING HAZARD - Small parts.  
Not for Children under 3 years.  
Plastic Needles Contain Funtional Sharp Point.

### A. SAFETY MESSAGES

1. Please read these instructions carefully before you start. Adult supervision and assistance are recommended.
2. Intended for children aged 5 and above.
3. This kit and its finished products contain small parts which may cause choking if misused. Keep the product out of the reach of children under 3 years old.
4. Scissors (not included) are required and should be supervised by an adult when used by a child.

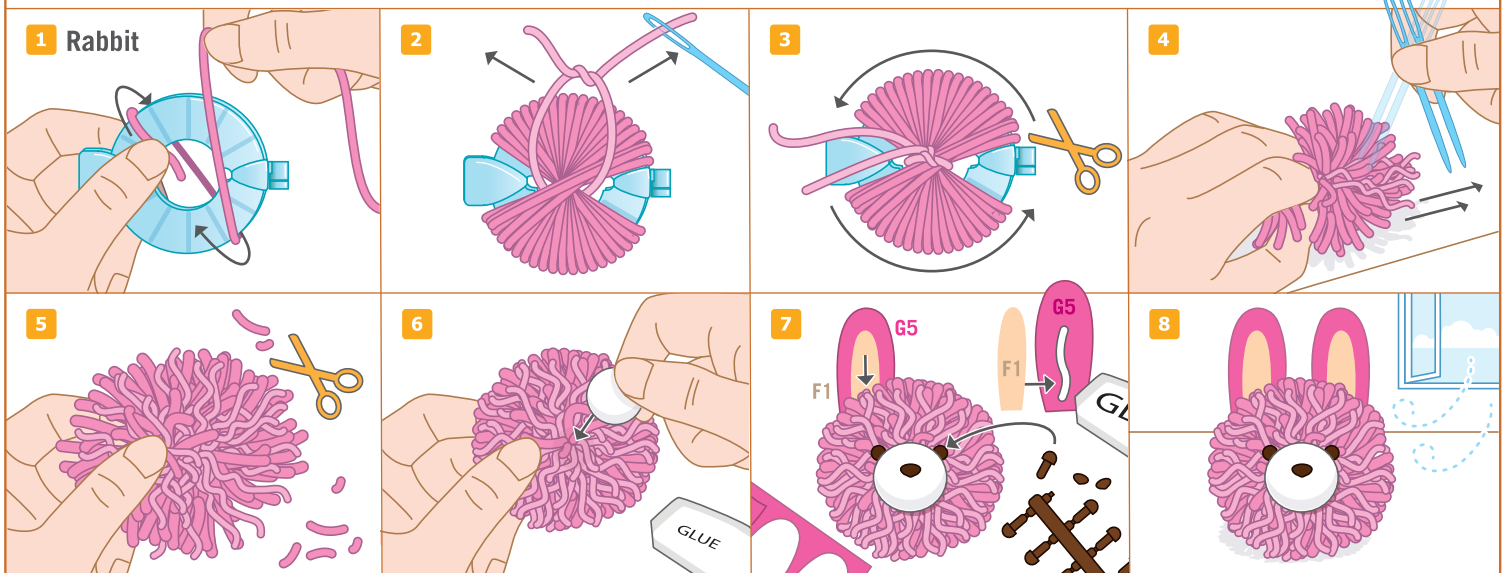

### B. CONTENTS

Part A: 1 plastic pom pom maker, Part B: 6 uniquely-coloured pieces of yarn, Part C: colourful pre-cut felts, Part D: 7 small white pom poms, Part E: a piece of pink cloth, Part F: 14 plastic eyes and 6 noses, Part G: 2 needles, Part H: glue and detailed instructions.

### C. BASIC TECHNIQUES FOR MAKING A POM POM ANIMAL

The materials in this kit make 6 pom pom animals. Start off with the Rabbit and then use the same technique to create the other animals. Before you begin making the animals, cut a 50cm piece of yarn out of each spool of yarn and an extra 330cm piece of white-coloured yarn.

1. Take out the pink yarn. Snap and hold the pom pom maker together with one hand. Then, with your other hand wrap the entire spool of pink yarn around it. Use the engraved lines as a guide to evenly wrap the yarn around the pom pom maker.
2. Cut a 30cm piece from the 50cm piece of pink yarn, pull it tightly around centre of the previously wrapped yarn, and tie a double knot. Keep the 20cm piece pink yarn to make the Unicorn's mane (neck hair) later on.
3. Cut through the loops on both sides and carefully take it out from the pom pom maker.
4. To make the yarn look fluffy, hold the pom pom firmly in one hand and with your other hand use the 2 plastic needles to split the yarn ends into multiple pieces of string.
5. Take your scissors and trim around the entire pom pom, to make it perfectly round and less shaggy. Cut the yarn ends of your pom pom until it's diameter is about 6cm wide.
6. Spread all the yarn out from the pom pom's centre, then glue on a small white pom pom. Test out the different places you can put the white pom pom before applying glue and finalizing its position.
7. Take out and stick the precut felt ear shapes (F1 and G5). Glue on the eyes, nose and ears as shown.
8. Put your creation in a safe place and let it dry for 30 minutes. The above method is a basic technique for making all pom pom animals. Use the remaining spools of yarn to create your own amazing animals!

## D. TECHNIQUES FOR MAKING OTHER ANIMALS

In addition to the basic techniques outlined in the previous sections, special skills are introduced to make other animals.

<p><b>Dog</b></p>	<p>Using the blue colored yarn, repeat steps C1-C6. Take out precut felt ear shapes (A1 and E1), glue them together and then stick them onto the back of the blue pom pom. Glue the tongue (G4) below the small white pom pom. Put your creation in a safe place and let it dry for 30 minutes. After that, your new friend will be ready to go on many fun adventures!</p>
<p><b>Frog</b></p>	<p>Glue 2 small white pom poms onto the green pom pom to make the Frog's eyes. Then, glue 2 plastic eyes at the bottom of each white pom pom as shown. Trim the pom pom to make the frog's face flat using scissors. Finally, stick the precut felt mouth shapes (B2 and G2) onto the flat area you just created as shown</p>
<p><b>Cat</b></p>	<p>Cut an 8cm piece from the 50cm piece of the white yarn. Tie 2 knots then cut the string into two pieces as shown. Split the yarn ends and glue one knot to each side of the yellow pom pom. Take out and stick on the precut felt ear shapes (F2 and G3). Your cute Cat is now complete and ready to become your best friend!</p>
<p><b>Unicorn</b></p>	
<p>Use the rest of the white yarn for this animal. Put 20cm of pink, yellow and blue yarn together and tie a knot in the middle. Split the yarn ends and glue the knot to the back of the white pom pom. Take out and stick the precut felt ear shapes (D1 and G1). Roll up the pink cloth to make the horn and glue it to the top of the pom pom to complete your Unicorn!</p>	
<p><b>Fox</b></p>	
<p>First, wrap the 330cm piece of white yarn around the pom pom maker. Then, wrap the whole spool of brown yarn and tie a double knot with the 50cm piece of brown yarn you cut at the start. Take out and stick the precut felt ear shapes (B1 and C1). Finally, glue on the eyes, nose and ears to complete your lovely fox!</p>	

## E. LET YOUR IMAGINATION RUN WILD

With your own yarn, use the pom pom maker to create an endless number of craft animals. Decorate them with colorful ribbons, felts, beads, moving eyes, plastic noses etc. Make many more fuzzy friends with the skills you just learned!
